AI-Powered Innovation

Cut your clients' costs by as much as 50%. With the power of AI legal translation, editing, and reviewing, we reduce turnaround times significantly (while still ensuring high-quality translation). Additionally, our advanced AI Optical Character Recognition (AI OCR) tool makes multilingual PDFs easy to translate, format, and edit. We can convert static PDF documents into editable formats enabling seamless Machine Translation (MT) and optional AI workflows. **You're empowered to address your most challenging files and translate PDF documents with unprecedented efficiency.**

Specialized Service

When your case is high-stakes and your multilingual translation or interpretation needs are highly complex, Lionbridge Legal's specialized expertise can alleviate your firm or company's burden by:

- Identifying key text for translation, thereby minimizing costs
- Understanding and conveying nuanced legal arguments and arcane subject matter
- Streamlining and centralizing workflow procedures with internal stakeholders, clients, vendors, and government entities
- Leveraging extensive language resources across multiple time zones to expedite turnaround times
- Complying with case-specific security or geographic data-handling restrictions when applicable

Expert Accuracy

We know that accurate translation or interpretation can make or break a successful outcome for your case. That is why we:

- Offer translations in 350+ languages
- Leverage a robust network of linguistic experts who are legal specialists themselves; many hold law degrees and/or doctorates
- Continually provide feedback to translators to ensure accuracy
- Deliver unmatched quality assurance with proofreading, style/formatting, and glossary implementation

Around-the-Clock Delivery

We offer 24/7/365 support wherever and whenever you need it to:

- Process your urgent translation inquiries in multiple time zones after business hours
- Mobilize a team of expert linguists immediately after receiving your inquiry
- Assess your project and tailor a solution that ensures the fastest, most cost-effective delivery possible

LEVERAGING MACHINE TRANSLATION (MT)

Get faster, more cost-effective translation solutions for high volumes of discovery or other documents. On average, our MT solutions cut costs and turnaround times by 50%.

Lionbridge uses Smart MT™ to process thousands of documents and conduct the first review, while our legal translators with in-country expertise complete the certified translations. This results in a much faster turnaround — without sacrificing accuracy.

The Evidence Speaks for Itself

Meet your clients' demands by using a language services partner with a proven track record. We've been a trusted partner to the world's top law firms for decades. We've won a Best Legal Marketing Companies in Boston Award, and we're used by:

- **92% of the global 100 firms**
- **94% of the AmLaw 100 firms**
- **100% of the world's top 75 law firms**
